As they groove and play, kids can gain a greater understanding of core preschool skills such as math, language, music and culture. |  |

| **Mickey’s Magic Choo Choo Train** | **SRP:** $34.99  
**Retailers:** Mass retailers, Disney Stores, DisneyStore.com  
**Available:** Fall 2009 |
| --- | --- |
| Young boys and girls will be “all aboard!” with amazement as Mickey’s Magic Choo Choo lays its own tracks, just like on the Disney special episode “Mickey’s Train Station” airing this fall.  
When kids press the button on this magical train, it rolls forward and lays pieces of track, right in front of it, all by itself. The train will then ride over the track and magically pick it back up again as the fun “Choo Choo” theme song plays.  
When the child turns the crazy crank, Mickey’s Magic Choo Choo will shift gears to classic train play. Watch as the train goes around the track and hear Mickey phrases, the Choo Choo song, and fun train sound effects.  
Mickey’s Magic Choo Choo includes 10 pieces of track, train engine, one car, two signs, and a Mickey figure. |  |
